

CURRICULUM VITAE

DALE ROBERT MEYER, M.D., F.A.C.S.

PRESENT POSITION

Professor of Ophthalmology
Albany Medical College
Director, Ophthalmic Plastic Surgery
Lions Eye Institute

ADDRESS

Ophthalmic Plastic Surgery
Lions Eye Institute, Suite 302
1220 New Scotland Rd.
Slingerlands (Albany), NY 12159
Ph (518)533-6540, FAX (518)533-6542
E-mail: meyerd@mail.amc.edu

DATE OF BIRTH

November 7, 1957

PLACE OF BIRTH

Baltimore, Maryland (USA)

MARITAL STATUS

Married. Spouse: Joy Leuchten Meyer, M.D.

**POST-GRADUATE
TRAINING**

Ophthalmic Plastic Surgery Fellowship
7/5/89 - 6/30/90
Casey Eye Institute
Department of Ophthalmology
Oregon Health Sciences University
Portland, OR 97201
John L. Wobig, M.D., Director

Ophthalmic Plastic Surgery Fellowship
7/5/88 - 6/30/89
Department of Ophthalmology
West Virginia University
Morgantown, WV 26506
John V. Linberg, M.D., Director

Ophthalmology Residency

7/1/85 - 6/30/88

Greater Baltimore Medical Center-
Johns Hopkins University
Baltimore, Maryland 21204
Robert B. Welch, M.D., Chairman

Special Experience/Training

Orbital and Ocular Oncology Service

6/15/90 - 7/14/90

Department of Ophthalmology
University of British Columbia
Vancouver, B.C., CANADA
Jack Rootman, M.D., Director

Eye Pathology Service

10/27/86 - 12/19/86

04/02/83 - 05/15/83

The Wilmer Institute
Johns Hopkins University
Baltimore, Maryland 21205
W. Richard Green, M.D., Director

Lancaster Course in Ophthalmology

6/20/86 - 8/14/86

Colby College
Waterville, Maine

Transitional Internship

7/1/84 - 6/30/85

Greater Baltimore Medical Center-
Johns Hopkins University
Baltimore, Maryland 21204
Thaddeus E. Prout, M.D., Chairman

EDUCATION

Medical School

8/25/80 - 5/25/84

University of Maryland

School of Medicine

Baltimore, Maryland 21201

Degree: Doctor of Medicine

College

8/20/75 - 5/26/79

University of Virginia

Charlottesville, Virginia 22903

Degree: Bachelor of Arts w/Distinction

Psychology Major

Chemistry Minor

High School

9/1/71 - 6/19/75

Calvert Hall College High School

Towson, Maryland 21204

FACULTY APPOINTMENTS

Professor

5/2/01 – present

Department of Ophthalmology

Albany Medical College

Associate Professor

3/1/95 – 5/2/01

Department of Ophthalmology

Albany Medical College

Assistant Professor

9/1/90 - 2/28/95

Department of Ophthalmology

Albany Medical College

Instructor

7/5/89 - 6/30/90

Department of Ophthalmology

Oregon Health Sciences University

Instructor

7/5/88 - 6/30/89

Department of Ophthalmology

West Virginia University Medical Center

ACCREDITATION/ CERTIFICATION

American Society of Ophthalmic Plastic and
Reconstructive Surgery, 11/13/90
American Board of Ophthalmology, 11/14/89
National Board of Medical Examiners, 7/1/85

MEDICAL LICENSURE

New York, #182237-1, June 6, 1990 (active)
Oregon, #16127, July 14, 1989 (inactive)
West Virginia, #15499, May 16, 1988 (inactive)
Maryland, #D 33183, January 10, 1986 (inactive)

SOCIETIES & ASSOCIATIONS

American Academy of Ophthalmology
American Society of Ophthalmic Plastic and
Reconstructive Surgery
American College of Surgeons
American Medical Association
Association for Research Vision & Ophthalmology
Research to Prevent Blindness
Christian Medical & Dental Society
Volunteer Eye Surgeons Association
Apogean Society
Aesthetic Surgery Society
New England Oculoplastic Society
New York Ophthalmological Society
Eastern New York Eye-ENT Society
New York State Medical Society

SPECIAL RECOGNITION/PROFESSIONAL AWARDS

Best Doctors in America
America's Top Doctors
America's Top Ophthalmologists
Who's Who in America
Distinguished Service Award –VA (2006)
Senior Achievement Award –AAO (2004)
Honor Award –AAO (1996)

ADMINISTRATIVE SERVICE

American Academy of Ophthalmology Technology Assessment Committee
Ophthalmology (Plastics Panel), 1995-present.
Chairman, 2006-present.

American College of Surgeons

Applicants Committee (Upstate NY), 1999-present.

American Society of Ophthalmic Plastic & Reconstructive Surgery

Education Committee, 1995-present.

-Fellowship Review Subcommittee, 1996-1998.

Fellowship Directors Committee, 2001-present.

Advocacy Committee, 2006-present.

Fall Scientific Symposium Abstract Review Panel, 2004-present.

AAO Joint Programs Committee, 2002-2009.
Chairman, 2003-2008

Nominating Committee, 2008-2009.

CPT Coding/Third Party Relations Committee, 1993-2005.

Public Information Committee, 1993-2005.

Ptosis Standards Committee, Chairman, 1997-2000.

Manpower Needs Committee, 1999-2001.

Ask the Experts” AAO Scientific Exhibit (Representative), 1991-2004

Eastern New York Eye/ENT Society

Program Chairperson, 1991-1994; 2001-present;
Vice President, 1992-1993;
President, 1993-1994.

Albany Medical College

Ophthalmic Plastic Surgery Service, Director, 1990-present.

Continuing Medical Education (CME)
Chairperson (Ophthalmology), 1991-1994 and 2001-present.

Consultants Management Services (MSO), President & Liaison to Albany Medical Center, 2009-present.

Faculty Senate, Representative (Ophthalmology) 1990-1999.

Medical Student Ophthalmology Education, Director 1990-1995.

Student Promotions Committee, 1990-1995.

Education Council, 1990-1995.

Academic Governing Counsel, 1990-2000.

Practice Administration Committee (Ophthalmology)
1997- 1999.

JOURNAL/ EDITORIAL SERVICE

Ocular Surgery News -Editorial Board (2006-present)

Current Opinion in Ophthalmology -Section Editor: Oculoplastic
Surgery (2003).

Ophthalmic Plastic and Reconstructive Surgery
- Editorial Board (1998-2004), - Scientific Reviewer

Archives of Ophthalmology -Scientific Reviewer

Ophthalmology -Scientific Reviewer

American Journal of Ophthalmology -Scientific Reviewer

Survey of Ophthalmology -Scientific Reviewer

Comprehensive Ophthalmology Update -Scientific Reviewer

JAAPOS - Scientific Reviewer

British Journal of Ophthalmology - Scientific Reviewer

Hong Kong Journal of Ophthalmology -Scientific Reviewer

Eye -Scientific Reviewer

PROFESSIONAL PUBLIC SERVICE

Project ORBIS; Oculoplastic & Orbital Surgery
Consultant, Lagos, Nigeria, Sept 1991.

Medical Group Missions Eye Project; Oculoplastic and Ophthalmic Surgery, Dajabon, Dominican Republic, February 1994.

Project Medsend; Albany Committee (Chairman), February 1997

International Assistance Mission, Oculoplastic & Orbital Surgery Consultant - Kabul, Afghanistan, October, 1997

Tung Wah Eastern Hospital, Hong Kong, China
International Honorary Advisor, April 2000 – present.

Medical Group Missions Eye Project; Oculoplastic and Ophthalmic Surgery, Tampico, Mexico, August 2008.

Tenwek Hospital, Tenwek, Kenya. International Advisor, February 2010.

MAJOR TEACHING RESPONSIBILITIES

1. Orbital Anatomy (MS1, Residency)
2. Ophthalmology Clinical/Research Rotations (MS3, MS4)
3. Ophthalmic Plastic Surgery -Ophthalmology Residency Curriculum
4. Ophthalmic Plastic Surgery: International Short-Term Fellowship Program (1996-2000)
5. ASOPRS-sponsored Ophthalmic Plastic Surgery Fellowship. Program Director (2001-present).

SYMPOSIA & COURSE FACULTY/ADMINISTRATION

1. Oculoplastic and Orbital Surgery Symposium. Course Director. Albany Medical College, Albany, NY, December 1990.
2. Oculoplastics and Corneal Disease Symposium. Course Director. Albany Medical College, Saratoga, NY, August 1992.
3. Orbital Dissection Course. Course Director. Albany Medical College, March 1992-present (given annually)
4. Office-based Ophthalmic and Oculoplastic Surgery: Establishing an Office Surgery Unit. American Academy

of Ophthalmology Instruction Course. Course Director. AAO Annual Meeting, Chicago, IL, November 1993.

5. 1994 Ophthalmology Update: Advances in Oculoplastic, Retina, Cornea and Anterior Segment. Course Director. Saratoga Springs, NY, March 1994.

6. Office-based Ophthalmic and Oculoplastic Surgery: Establishing an Office Surgery Unit. American Academy of Ophthalmology Instruction Course. Course Director. AAO Annual Meeting, San Francisco, CA, October, 1994.

7. Office-based Ophthalmic and Oculoplastic Surgery: Establishing an Office Surgery Unit. American Academy of Ophthalmology Instruction Course. Course Director. AAO Annual Meeting, Atlanta, GA, October 1995.

8. 1997 Albany Ophthalmology Update: Pediatrics, Oculoplastics, Cornea, and Refractive Surgery. Course Director. Scotia, NY, May 1997.

9. Aesthetic Laser Surgery Workshop. Course Director. Albany, NY, May 1997.

10. 1999 Albany Ophthalmology Update: Pediatrics, Oculoplastics and Cornea. Course Director. Scotia, NY, June 1999.

11. 2001 Albany Ophthalmology Update: Oculoplastics, Cornea and Pediatrics, . Course Director. Scotia, NY, June 2001.

12. 2001: The Changing Face of Oculoplastic Surgery. ASOPRS/AAO Symposium. Chairman. New Orleans, November 2001.

13. 2002 Albany Ophthalmology Update. . Course Director. Scotia, NY, May 2002.

14. 2002 ASOPRS Fall Symposium. Session Moderator. Anophthalmic Socket Session. Orlando, October, 2002.

15. 2003 Albany Ophthalmology Update: Oculoplastics, Pediatrics, Cataract, Cornea and Refractive Surgery. Course Director. Scotia, NY, June 2003.

16. 2004 ASOPRS Fall Scientific Symposium. The Art and

- Science of Oculoplastic Surgery. Session Moderator. New Orleans, October, 2004.
17. 2005 Albany Ophthalmology Update: Cornea, External Disease and Refractive Surgery; Pediatric Ophthalmology; and Oculoplastic Surgery. Course Director. Albany, NY, June 2005.
 18. 2005 ASOPRS Fall Scientific Symposium. Session Moderator. Chicago, October 2005.
 19. Botulinum Toxin, Fillers, and More. AAO Skills Transfer Course. Instructor. AAO Annual Meeting, Chicago, October 2005.
 20. 2006 Albany Ophthalmology Update. CME Course Director. Albany, NY, June 2006.
 21. Botulinum Toxin, Fillers, and More. AAO Skills Transfer Course. Instructor. AAO Annual Meeting, Las Vegas, November 2006.
 22. 2007 Albany Ophthalmology Update: Cornea, External Disease and Refractive Surgery; Pediatric Ophthalmology; and Oculofacial Plastic Surgery. Course Director. Albany, NY, June 2007.
 23. Botulinum Toxin, Fillers, and More. AAO Skills Transfer Course. Instructor. AAO Annual Meeting, New Orleans, November 2007.
 24. 2007 ASOPRS Fall Scientific Symposium. Session Moderator. New Orleans, November 2007.
 25. 2008 Albany Ophthalmology Update. CME Course Director. Albany, NY, June 2008.
 26. Botulinum Toxin, Fillers, and More. AAO Skills Transfer Course. Instructor. AAO Annual Meeting, Atlanta, November 2008.
 27. Management of Orbital Tumors: Case Presentation and Discussion. AAO Instruction Course. Instructor. AAO Annual Meeting, Atlanta, November 2008.

28. Blepharoplasty. Breakfast with the Experts. Instructor. AAO Annual Meeting, Atlanta, November 2008.
29. 2008 ASOPRS Fall Scientific Symposium. Session Moderator. Atlanta, November 2008.
30. Cosmetic Facial Surgery. AAO ONE Network [Online course] <http://one.ao.org/CE/EducationalContent/Courses.aspx> Co-Authors: Mark P. Hatton, MD, C. Robert Bernardino, MD, FACS; Eli L Chang, MD; Robert A. Goldberg, MD; Mark J. Lucarelli, MD; David M. Mills, MD, FACS
31. 2009 Albany Ophthalmology Update: Cornea; Pediatrics; and Plastics. CME Course Director. Albany, NY, June 2009.
32. Botulinum Toxin, Fillers, and More. AAO Skills Transfer Course. Instructor. AAO Annual Meeting, San Francisco, October 2009.
33. Management of Orbital Tumors: Case Presentation and Discussion. AAO Instruction Course. Instructor. San Francisco, October 2009.
34. Blepharoplasty. Breakfast with the Experts. Instructor. AAO Annual Meeting, San Francisco, October 2009.
35. 2010 Albany Ophthalmology Update. Glaucoma, Retina, Ocular Oncology and NeuroOphthalmology. CME Course Director. Albany, NY, June 2010.
36. Botulinum Toxin, Fillers, and More. Skills Transfer Course. Instructor. AAO Annual Meeting, Chicago, October 2010.
37. Management of Orbital Tumors: Case Presentation and Discussion. Instruction Course. Instructor. AAO Annual Meeting, Chicago, October 2010.
38. Blepharoplasty. Breakfast with the Experts. Instructor. AAO Annual Meeting, Chicago, October 2010.

GRANTS

1. DHA with pyruvate and phosphate as a blood preservative. National Institutes of Health (NIH) Short-Term Research

Training Grant. University of Maryland, \$2,000, 1981.

2. Assessment of 2,3 DPG and ATP in various novel blood preservatives. United States Army Research and Development Command Grant DADA-17-72-C2005, \$40,000, 1980-1981.

3. Permanent nasolacrimal conduit for tear drainage. Sight Conservation Society Research Grant (NY) #1990-1, \$10,000, 1990.

4. Permanent nasolacrimal conduit for tear drainage. Biomedical Research Support Grant (NIH) SO7RR05394-30, \$9,800, 1991-1992.

5. Regulation of retro-ocular connective tissue: Graves orbitopathy. (NIH) EYO8976 (PI: Smith TJ), Consultant, 1992-1996.

PUBLICATIONS

PAPERS

1. Dawson RB, Meyer DR, Hedian KA, Hershey RT, and Myers CS: Dihydroxyacetone (DHA) maintains 2,3-DPG and its adverse effect on ATP is reversed with extra phosphate. *Transfusion* 20:311-315, 1980.

2. Dawson RB, Sisk LD, Meyer DR, Hershey RT and Myers-Hilbert CS: Phosphate enhancement of ribose maintenance of 2,3-DPG and ATP. *Transfusion* 21:215-218, 1981.

3. Dawson RB, Meyer DR, Hershey RT, Myers-Hilbert C, and Miller RM: Improvement of ascorbate's ability to maintain 2,3-DPG with inosine. *Transfusion* 21:285-290, 1981.

4. Dawson RB, Meyer DR, Sisk LD; Brandt HA, and Koklin S: Red cell 2,3-DPG maintenance in CPD-adenine stored blood by several mechanisms. *Prog Clin Biol Res* 55:643-662, 1981.

5. Dawson RB, Fagan DS, Meyer DR: Dihydroxy-acetone, pyruvate, and phosphate effects on 2,3 DPG and ATP in citrate-phosphate-dextrose-adenine blood preservation. *Transfusion* 24:327-329, 1984.

6. Meyer DR, Harris WP, Fine SL, and Green WR: Clinicopathological correlation of argon laser photocoagulation of an idiopathic choroidal neovascular membrane in the macula. *Retina* 4:107-112, 1984.

16. Management of Thyroid Ophthalmopathy. Department of Medicine Grand Rounds, Albany Medical Center, Albany, Oct 1991.

17. Immediate Management of Ocular and Orbital Trauma. Department of Surgery Grand Rounds, Albany Medical Center, Albany, March 1992.

18. Anatomic Concepts in Ptosis Surgery. American Society of Ophthalmic Plastic and Reconstructive Surgery: Ask the Experts Exhibit, at the American Academy of Ophthalmology

Annual Meeting, Dallas, Nov 1992.

19. Progressive Enophthalmos. ASOPRS Spring Symposium, Lake George, NY, June 1993.
20. Surgical Management of Lacrimal Sac Diverticula. ASOPRS Spring Symposium, Lake George, NY, June 1993.
21. Pediatric Oculoplastic and Orbital Disorders. Ophthalmology for the Primary Care Physician Conference. Albany, NY, September, 1993.
22. Congenital Nasolacrimal Duct Obstruction. Ophthalmology for the Primary Care Physician Conference. Albany, NY, September, 1993.
23. Evaluation of the Tearing Patient. W. Virginia University, 14th Annual Clinical Ophthalmology Conference, Morgantown, Visiting Professor, October 1993.
24. Browplasty and Browpexy for Eyebrow Ptosis. W. Virginia University, 14th Annual Clinical Ophthalmology Conference, Morgantown, Visiting Professor, October 1993.
25. Frontalis Suspension Ptosis Repair. W. Virginia University, 14th Annual Clinical Ophthalmology Conference, Morgantown, Visiting Professor, October, 1993.
26. Hydroxyapatite and Expanded-Polytetrafluoro-ethylene (Goretex) Conduits for Tear Drainage. ASOPRS Fall Symposium, Chicago, November, 1993.
27. Blepharoplasty. Childs Hospital Lecture Series, Albany, NY, December, 1993.
28. One-stitch Technique for Acquired Ptosis Repair. 1994 Ophthalmology Update: Advances in Oculoplastics, Retina, Cornea and Anterior Segment, Saratoga, NY, March 1994.
29. Outpatient Dacryocystorhinostomy (DCR). 1994 Ophthalmology Update: Advances in Oculoplastics, Retina, Cornea and Anterior Segment, Saratoga, NY, March 1994.
30. Temporal Arteritis: Diagnosis and Management. Rheumatology Grand Rounds, Albany Medical Center, August 1994.
31. Orbital Blow-out Fractures. Maxillofacial Trauma Course, Albany, NY, October 1994.
32. Enucleation for Fulminant Refractory Ocular Infection: Is Primary Reconstruction with an Orbital Implant Safe? ASOPRS Annual Scientific Meeting, San Francisco, October, 1994.
33. Management of Canalicular Injury Associated with Eyelid Burns. ASOPRS Annual Scientific Meeting, San Francisco, October, 1994.
34. Common pediatric oculoplastic problems. Ophthalmology Conference for the Primary Care

Physician. Albany, November, 1994.

35. Evaluation and management of Grave's ophthalmopathy. Endocrinology Symposium. Albany, December 1994.

36. Evaluation of orbital disease. University of Florida Department of Ophthalmology Symposium, Gainesville, Visiting Professor, February 1995.

37. Blepharoplasty and eyebrow surgery. University of Florida Department of Ophthalmology Symposium, Gainesville, Visiting Professor, February, 1995.

38. Evaluation of patients with blepharoptosis. Boston University, Visiting Professor, Boston, April 1995.

39. Eyelid ptosis surgery. Boston University, Visiting Professor, Boston, April 1995.

40. Site of service, anesthesia and postoperative practice patterns among American ophthalmic plastic surgeons. ASOPRS Annual Scientific Meeting, Atlanta, October 1995.

41. Pediatric orbital disorders: Dermoids and hemangiomas. Ophthalmology Conference for Primary Care Physicians, Albany, February 1996.

42. CO₂ laser basics for the ophthalmologist. Northeastern New York Eye ENT Society meeting Albany, April, 1996.

43. CO₂ laser applications for blepharoplasty and skin resurfacing. Northeastern New York Eye ENT Society meeting, Albany, April, 1996.

44. Eyelid trauma. Soft-tissue Workshop Course, Albany Medical College, May 1996.

45. Basic and advanced principles of eyelid reconstruction. Soft-tissue Workshop Course, Albany Medical College, May 1996.

46. Cost-effectiveness and safety of office-based blepharoptosis repair. ASOPRS Annual Scientific Meeting, Chicago, October 1996.

47. Orbital blow-out fractures - Maxillofacial Trauma Course, Albany, NY, January 1997.

48. Orbital reconstruction after craniofacial resection. ASOPRS Spring Symposium, Charleston, SC, April 1997.

49. Reconstructive options after traumatic upper eyelid avulsion and facial soft-tissue loss. ASOPRS Spring Symposium, Charleston, SC, April 1997.

50. CO₂ laser basics for the ophthalmologist. Annual Ophthalmology Update, Albany, NY, May

1997.

51. Laser blepharoplasty and skin resurfacing. Aesthetic Laser Surgery Workshop, Albany, NY, April 1997.

52. Primary temporal fossa dermoid cysts: characterization and surgical management. ASOPRS Annual Scientific meeting. San Francisco, October 1997.

53. A comparison of manual and automated ptosis visual fields [Discussant]. AAO Annual meeting. San Francisco, October 1997.

54. Aesthetic eyelid and facial laser surgery. Stratton VA Surgical Grand Rounds, Albany, December 1997.

55. New treatments for congenital lacrimal obstruction. Ophthalmology for Primary Care Physicians Symposium, Albany, May 1998.

56. Plexiform neurofibroma with diffuse orbital and cavernous sinus involvement. ASOPRS Spring Symposium, Vail, CO, June, 1998.

57. Treatment of congenital eyelid nevi. ASOPRS Spring Symposium, Vail, CO, June, 1998.

58. Mid-forehead brow lift for seventh nerve palsy. Invited Speaker. ASOPRS Spring Symposium, Vail, CO, June, 1998.

59. Comparison of oxymetazoline and lidocaine versus cocaine for outpatient dacryocystorhinostomy (DCR). ASOPRS Annual Scientific meeting (paper), AAO Annual meeting (poster). New Orleans, November, 1998.

60. Correlation of the vision-related functional impairment associated with blepharoptosis and the impact of blepharoptosis surgery. AAO Meeting, New Orleans, November 1998.

61. Eyelid Merkel cell carcinoma. New England Oculoplastics Society Spring Meeting, Stowe, VT, March 1999.

62. Eyelid margin thinning associated with trichiasis. New England Oculoplastic Society Spring Meeting, Stowe, VT, March 1999.

63. Aesthetic blepharoplasty. Vermont Ophthalmologic Society Annual Meeting, Stowe, VT, March, 1999.

64. New treatments for congenital nasolacrimal duct obstruction. Vermont Ophthalmologic Society Annual Meeting, Stowe, VT, March, 1999.

65. Evaluation and surgical management of blepharoptosis. Vermont Ophthalmologic Society

Annual Meeting, Stowe, VT, March, 1999.

66. Aesthetic blepharoplasty. Devers Eye Clinic Annual Symposium. Portland, OR, June, 1999.

67. Laser skin resurfacing. Devers Eye Clinic Annual Symposium. Portland, OR, June, 1999.

68. New treatments for nasolacrimal duct obstruction. Devers Eye Clinic Annual Symposium. Portland, OR, June, 1999.

69. Pediatric orbital fractures: Characterization and management. AAO Annual Meeting, Orlando, FL, October, 1999.

70. Endoscopic conjunctivo-dacryocystorhinostomy (CDCR) with Jones tube placement. AAO Annual Meeting (poster), ASOPRS Annual Meeting, Orlando, FL, October, 1999.

71. Aesthetic blepharoplasty. Wills Eye Hospital. Visiting Professor. Philadelphia, PA, January, 2000.

72. Ptosis surgery. Wills Eye Hospital. Visiting Professor. Philadelphia, PA, January, 2000.

73. Surgical management of Graves orbitopathy. Visiting Professor. Univ of Medicine & Dentistry of NJ, Newark, NJ, February 2000.

74. Orbital fractures: Evaluation and management. Visiting Professor. Univ of Medicine & Dentistry of NJ, Newark, NJ, February 2000.

75. Cosmetic oculoplastic surgery. Keynote Speaker. Hong Kong Ophthalmologic Society, Hong Kong, China, March, 2000.

76. New treatments for nasolacrimal duct obstruction. Visiting Professor. Tung Wah Eastern Hospital, Hong Kong, China, March, 2000.

77. Eyelid reconstruction: basic and advanced techniques. Visiting Professor. Tung Wah Eastern Hospital, Hong Kong, China, March, 2000.

78. Surgical management of Graves' orbitopathy. Visiting Professor. Tung Wah Eastern Hospital, Hong Kong, China, March, 2000.

79. Orbital fractures: Evaluation and management. Visiting Professor. Tung Wah Eastern Hospital, Hong Kong, China, March, 2000.

80. Lacrimal sac dacryoliths: Predictive risk factors and clinical characteristics. AAO Annual Meeting/ASOPRS Annual Scientific meeting, Dallas, TX, October 2000.
